MATERIALS::

- 15,6 x 21,3 cm wipes supplied in a plastic container
- Wipes have a neutral pH. Are friendly to human skin - contain vitamin E and aloe extract.

RECOMMENDATIONS:

- Use for removing uncured foam, paint, glue, sealer, etc. from hands, tools and other surfaces
- Before use, test the invisible part of the surface to be cleaned (if it is made of plastic or fabric), due to the risk of discoloration. The test will also show the effectiveness of the use of wipes
- Place the wipe on the uncured foam for a few minutes and then wipe off the stain.
- Always keep the container with wipes tightly closed after use
- Detailed information on storage, transport and safety are available in the safety data sheet (SDS).
